A hearing took place at the above time and place to consider the Emergency
Motion for Order Authorizing Interim Use of Cash Collateral (the "Cash Collateral")

1 Motion") [docket nos.: 12 and 13] filed by Mr. Tortilla, Inc., the Debtor and Debtor-in-
2 Possession herein (the "Debtor"). Appearances are noted on the record. The Court
3 having considered the Cash Collateral Motion and good causing appearing:
4

5 **HEREBY ORDERED** that:

6 1. Subject to the provisions of this Interim Order, the Debtor's Cash Collateral
7 Motion is granted on an interim basis through March 7, 2024.

8 2. Debtor is authorized to use cash collateral, as that term is defined by 11
9 U.S.C. § 363(a) ("Cash Collateral"), in accordance with the budget attached to Debtor's
10 Cash Collateral Motion for the sole purpose of paying post-petition expenses. No pre-
11 petition debts can be paid except for wages¹ until further order of this Court.

12 3. To satisfy the right of the U.S. Small Business Administration (the "SBA")
13 to adequate protection of its interest in the Debtor's Cash Collateral, the SBA is hereby
14 granted, pursuant to Section 361, 363, and 552(b) of the Bankruptcy Code, a valid,
15 attached, choate, enforceable, perfected, post-petition security interest and lien in and
16 against all post-petition assets of the Debtor of the same character and type, to the same
17 nature, extent, validity, and priority that existed prepetition, and to the extent of
18 diminution in value of SBA's collateral caused by the Debtor's use of Cash Collateral.
19 Debtor shall, as further adequate protection of the SBA's interest in Cash Collateral, pay
20 SBA monthly adequate protection payments in the amount of \$1,237.00, with the
21 payment to be made by March 1, 2024.

22 4. To satisfy the right of Amazon Capital Services, Inc. ("ACS") to adequate
23 protection of its interest in the Debtor's Cash Collateral, ACS is hereby granted, pursuant
24 Section 361, 363, and 552(b) of the Bankruptcy Code, a valid, attached, choate,
25

26
27 ¹ Debtor's Emergency Motion for Order Authorizing Payment of Pre-Petition Wages and Related
28 Expenses was filed on 2/20/24 [docket no.: 14] and heard concurrently with Cash Collateral Motion. The
Payroll Motion was approved, except for payments to Debtor's insiders, absent compliance with the Local
Rules for insider compensation.

1 enforceable, perfected, post-petition security interest and lien in and against all post-
2 petition assets of the Debtor of the same character and type, to the same nature, extent,
3 validity, and priority that existed prepetition, and to the extent of diminution in value of
4 ACS's collateral caused by the Debtor's use of Cash Collateral. Debtor shall, as further
5 adequate protection of ACS's interest in Cash Collateral, pay ACS monthly adequate
6 protection payments in the amount of \$5,000.00, which payment will be deducted by
7 ACS from Debtor's seller account and applied toward ACS's loan balance

8 5. Amazon.com Services LLC and certain of its affiliates ("Amazon") on one
9 hand, and the Debtor on the other, are parties to the Vendor Terms and Conditions and
10 related agreements, understandings, terms and conditions, and purchase orders
11 (collectively, the "Vendor Contract"). The Vendor Contract governs the terms under
12 which Amazon purchases products directly from the Debtor. The Vendor Contract
13 permits, among other things, Amazon to cancel purchase orders, return product, and
14 deduct and net, from amounts owed to the Debtor various credits authorized thereunder.
15 The Vendor Contract provides that coop, allowances, discounts, rebates, marketing, and
16 other credits are set forth in Amazon's program policies or in separate agreements, each
17 of which is incorporated into the Vendor Contract. To the extent that Amazon holds
18 setoff or recoupment rights with respect to any such pre-petition unapplied credits,
19 allowances, and return rights, Amazon is hereby granted, pursuant Section 361, 363, and
20 552(b) of the Bankruptcy Code, a valid, attached, choate, enforceable, perfected, post-
21 petition security interest and lien in and against all post-petition assets of the Debtor of
22 the same character and type, to the same nature, extent, validity, and priority that existed
23 prepetition, and to the extent of diminution in value of Amazon's setoff or recoupment
24 rights caused by the Debtor's use of vendor payables. As further adequate protection,
25 Amazon is authorized to reserve \$10,000 in funds associated Vendor Contract pending
26 further order of the Court (the "Vendor Reserve"). Amazon and the Debtor are authorized
27 to continue to perform under the terms of the Vendor Contract in the ordinary course, and
28

1 Amazon is further authorized to deduct from payments to the Debtor credits, fees,
2 expenses, and other charges (related to post-petition sales) from the Debtor's payments
3 on invoices and remit, to the Debtor, the Debtor's net invoice amounts. Amazon is not
4 authorized to deduct from payments to the Debtor credits, fees, expenses, and other
5 charges related to prepetition sales from the Debtor's payments absent further order of
6 the Court.

7 6. The Debtor conducts its own sales through the Amazon.com online store
8 (the "Amazon Store"). Amazon and the Debtor are parties to the Business Solutions
9 Agreement (the "BSA"), which governs the Debtor's ability to sell products to customers
10 on the Amazon Store. According to the terms of the BSA, the Debtor's sale proceeds are
11 held in an Amazon seller account (the "Seller Account"). Under the terms of the BSA,
12 Amazon is authorized to net fees, expenses, and reimbursements from the Debtor's sale
13 proceeds and remit, to the Debtor's bank account, the Debtor's net proceeds. Amazon and
14 the Debtor are authorized to continue to perform under the terms of the BSA in the
15 ordinary course, and Amazon is further authorized to net fees, expenses, and other
16 charges (related to post-petition sales, but not pre-petition absent further order of the
17 Court) from the Debtor's Amazon Store sales proceeds in the Amazon seller account and
18 remit, to the Debtor, the Debtor's net proceeds less the \$5,000.00 adequate protection
19 payments owed to ACS and the Seller Account Reserve set forth herein. To the extent
20 that Amazon holds setoff or recoupment rights with respect to any fees, expenses, and
21 other charges, Amazon is hereby granted, pursuant Section 361, 363, and 552(b) of the
22 Bankruptcy Code, a valid, attached, choate, enforceable, perfected, post-petition security
23 interest and lien in and against all post-petition assets of the Debtor of the same character
24 and type, to the same nature, extent, validity, and priority that existed prepetition, and to
25 the extent of diminution in value of Amazon's setoff and recoupment rights caused by the
26 Debtor's use of seller account proceeds. As further adequate protection, Amazon is
27
28

1 authorized to reserve \$5,000 in funds associated the Seller Account sales pending further
2 order of the Court (the "Seller Account Reserve").

3 7. In addition, ACS, Amazon, and the SBA shall hold allowed administrative
4 claims under Section 507(b) of the Bankruptcy Code with respect to the adequate
5 protection obligations of the Debtor to the extent that the replacement liens and post-
6 petition collateral do not adequately protect the diminution in value of the interests of the
7 SBA, Amazon, and ACS in their prepetition collateral. Such administrative claims shall
8 be junior and subordinate only to any superpriority claim of the kind ordered by the Court
9 and specified in Section 364 of the Bankruptcy Code. The administrative claims shall be
10 payable from and have recourse to all prepetition and post-petition property of the Debtor
11 and all proceeds thereof. The liens on post-petition collateral shall be in addition to any
12 prepetition liens held by the SBA, Amazon, and ACS, and shall remain in full force and
13 effect notwithstanding any subsequent conversion or dismissal of this case.
14

15 8. This Interim Order shall be deemed to constitute a security agreement under
16 the applicable provisions of the Uniform Commercial Code ("UCC") in effect, and the
17 adequate protection liens granted by this Interim Order on post-petition collateral shall be
18 valid, perfected, and enforceable security interests and liens on the property of the Debtor
19 and the Debtor's estate without further filing or recording of any document or instrument
20 or any other action, but only to the extent that ACS, Amazon, and the SBA, respectively,
21 have valid and perfected security interests prior to the Debtor's petition date. Such
22 adequate protections liens shall be enforceable against the Debtor and all other persons
23 and parties, including without limitation any subsequent Trustee (if appointed under
24 Chapter 7 or Chapter 11 of the Bankruptcy Code), by operation of law and immediately
25 upon entry of this Interim Order. The adequate protection liens granted by this Interim
26 Order on post-petition collateral shall not extend to the proceeds of any avoidance actions
27 by the Debtor or the estate pursuant to section 544, 547, 548, 549, or 550 of the
28 Bankruptcy Code.

1 9. The Debtor will provide the ACS and SBA with an accounting, on a monthly basis,
2 of all revenue, expenditures, and collections with description of any variances from the budget by
3 way of filing monthly operating reports with the Court and providing a variance report to the SBA
4 and ACS.

5 10. Nothing contained herein shall be deemed a waiver by Amazon, ACS, or
6 the SBA from seeking further or additional adequate protection of their collateral,
7 asserting objections to the Debtor's further use of Cash Collateral, or pursuing any other
8 rights or remedies available to them under law or equity. In addition, nothing contained in
9 this Interim Order precludes Amazon from arguing that amounts owed to it under the
10 Vendor Contract and the BSA, including credits, allowances, and other deductions, are in
11 the nature of recoupment rather than setoff, or seeking an increase of the amount of the
12 Vendor Reserve or Seller Account Reserve.

13 11. Nothing contained herein shall prevent a creditor or other party in interest
14 from contesting the validity, perfection and enforceability, or priority of a secured party's
15 liens, or from raising any defenses, offsets, deductions or counterclaims thereto.

16 12. If any or all of the provisions of this Interim Order are hereafter
17 modified, vacated or stayed by any subsequent order of this Court or any other
18 court, such stay, modification or vacation shall not affect the validity or enforceability
19 of any lien or priority authorized or created hereby prior to the effective date of such
20 modification, stay, vacation or final order to the extent that said lien or priority is valid,
21 perfected, enforceable and otherwise non-avoidable as of the Petition Date. The
22 validity and enforceability of all liens and priorities authorized or created in this Interim
23 Order shall survive the conversion of this case to a proceeding under Chapter 7 of
24 the Bankruptcy Code or the dismissal of this proceeding.

25 13. Payment of the insider compensation and any related benefits will not occur
26 until Notice Setting Insider Compensation form has been submitted and the time to object
27 has expired.
28

14. A continued hearing on the Cash Collateral Motion will take place on March 7 2024 at 1:30 p.m. in Courtroom 301 of the above-captioned court. The deadline for Debtor to file a Notice of Continued Hearing on Cash Collateral Motion and serve the notice via email on the secured and 20 largest unsecured creditors and the United States Trustee is February 23, 2024. The deadline for written opposition to Cash Collateral Motion is March 5, 2024.
